Railway Subsidies to the amount of \$2,512,328.86 were paid on account of the following:—

Atlantic and North-western Railway.....	\$ 186,600 00
Massawippi Valley Railway.....	5,376 00

	<hr/>
	\$2,512,328 86

The sum of \$558,810.77 was paid in connection with the South Africa Contingents, and \$349,870.65 on account of the Halifax Garrison.

At the close of the fiscal year the balance at the credit of the depositors in the Post Office and Government Savings Banks amounted to \$56,048,957.06, an increase of \$2,899,234.66 over the balance held on June 30, 1900; part of this increase, \$1,589,761.05, represents interest added to the various accounts, and the remainder, \$1,309,473.61, the excess of receipts over withdrawals.

[Dominion notes to the amount of \$27,671,452.05 were outstanding on June 30, 1901, as against \$26,094,923.52 on June 30 of the previous year, or an increase of \$1,576,528.53.

The increasing volume of the business of the Dominion is doubtless the principal cause of this expansion in the circulation, but a part of it is apparently attributable to the fact that the chartered banks are approaching the limit of the circulation allowed by the terms of the Bank Act, and are using Dominion issues where ordinarily their own notes would be employed.

During the past seven years there has been a very pronounced advance on the amount of the notes of the chartered banks in circulation as shown by the bank returns. On October 31, 1894, it was \$34,516,657, and at the close of the same month of the current year \$57,954,779, or an increase in that period equal to 67 per cent. As the combined paid up capital of the banks, according to the October returns, is \$67,574,410, it will be seen how closely the circulation is approximating the limit. The margin between paid up capital and circulation, it may be added, is confined to a comparatively few of the banks.

SESSIONAL PAPER No. 2

The demand for the \$1 and \$2 Dominion notes still continues, as will be seen from the following table showing their circulation at the end of September and October for each year from 1894 :

	1894.	1895.	1896.	1897.	1898.	1899.	1900.	1901.

Investments on account of the Sinking Funds of the various loans were made during the year to the amount of \$2,480,336.90, making the total amount held on this account on June 30, \$48,304,619.27.

The net debt of the Dominion at the close of the fiscal year was \$268,480,003.69, or an increase of \$2,986,196.80 over the previous year, the details of which are as follows :—

Capital expenditure on Railways, Canals and Public Works, including the Canadian Pacific Railway.	\$ 7,290,542 65
Capital Expenditure on Dominion Lands.	269,060 90
“ Militia	135,884 79

“ Refunds on account of North-west Territories Rebellion.	1,631 63
	<u>8,130,301 82</u>
	<u>\$ 2,986,196 80</u>

The average rate of interest paid on the gross debt for the year was \$3.12, as compared with \$3.09 in the year previous, and the net rate of interest paid remained at \$2.60.

The awards of the arbitrators of Sept. 13, 1900, and May 9, 1901, in the matter of the outstanding Province Accounts are printed herewith. The second award deals with the Province of Quebec Account which is brought down to December 31, 1892, and agreed to. I trust that during the coming year strenuous efforts will be made to bring the few outstanding matters to a conclusion.

On page 2, part 1, will be found the table of the aggregate receipts and expenditures under all heads from Confederation to June 30 last. At that date the excess of the expenditures over the receipts was \$192,751,362.32.

The table respecting the number of officers subject to the Superannuation Acts and Retirement Act, carried down to June 30, 1901, will be found appended. The number subject to the old Superannuation in 1892 was 4,236 and in 1901 it fell to 2,747, showing a continued decrease in the liability devolving on the Treasury on this account.

1-2 EDWARD VII., A. 1902

A table (page xxxiv) showing the receipts and expenditure in the Yukon Territory since its organization has been added.

No entry appears in the accounts for interest accrued during the year from the following sources :—

Albert Railway Co.

Three Rivers Harbour Commission.

Quebec Harbour Commission.

Fredericton and St. Mary's Bridge Co.

Montreal Turnpike Trust.

Since April last the department has lost two members of the staff by death and one by superannuation. On the 13th of that month, Mr. J. Belfour, a clerk of the second class died, and Mr. N. S. Garland, a clerk of the first class, on July 28. The former served in the Finance Department for twenty-four years, and the latter had a public service of thirty-one years, of which twenty-five were in this department. On September 1, Mr. J. B. H. Neeve, a clerk of the second class, was placed on the retired list, having completed thirty-seven years continuous service in the Finance Department.

These changes, with the prolonged absence on account of ill health of the Chief Dominion book-keeper, necessitate the reorganization and strengthening of the staff in order that the increasing business may be efficiently met.

The work of the department, notwithstanding, has been kept up, through the able assistance I have received from the several officers to whom I beg to give my thanks publicly.

I have the honour to be, sir,

Your obedient servant,

J. M. COURTNEY.

Director, Ministry of Finance

SESSIONAL PAPER No. 2

To all to whom these presents shall come :

The Honourable Sir John Alexander Boyd, of the City of Toronto, in the province of Ontario, Chancellor of the said province ; the Honourable Sir Louis Napoleon Casault, of the City of Quebec, in the province of Quebec, Chief Justice of the Superior Court of the said province of Quebec ; and the Honourable George Wheelock Burbidge, of the City of Ottawa, in the said province of Ontario, Judge of the Exchequer Court of Canada, SEND GREETING.

Whereas it was in and by the Act of the Parliament of Canada, 54-55 Victoria, chapter 6, and in and by an Act of the Legislative Assembly of Ontario, 54 Victoria, chapter 2, and in and by an Act of the Legislature of Quebec, 54 Victoria, chapter 4, among other things, provided that for the final and conclusive determination of certain questions, and accounts which had arisen, or which might arise, in the settlement of accounts between the Dominion of Canada and the provinces of Ontario and Quebec, both jointly and severally, and between the two provinces, concerning which no agreement had theretofore been arrived at, the Governor General in Council might unite with the Governments of the provinces of Ontario and Quebec in the appointment of three Arbitrators, being Judges, to whom should be referred such questions as the Governor General and Lieutenant Governors of the provinces should agree to submit.

And whereas we, the undersigned, John Alexander Boyd, Louis Napoleon Casault and George Wheelock Burbidge, have been duly appointed under the said Acts, and have taken upon ourselves the burdens thereof.

And whereas it was provided in and by the said Acts that such Arbitrators, or any two of them, should have power to make one or more awards and to do so from time to time.

And whereas by an agreement made on the tenth of April, 1893, on behalf of the Government of Canada of the first part, the Government of Ontario of the second part, and the Government of Quebec of the third part, was, among other things, agreed by and between the said several Governments, parties thereto, that the following, questions, among others, mentioned in the order of the Governor General in Council of the twelfth day of December, eighteen hundred and ninety, be, and they were thereby referred to the said Arbitrators for their determination and award in accordance with the said statutes, namely :—

‘ The ascertainment and determination of the amount of the principal of the Common School Fund, the rate of interest which should be allowed on such fund, and the method of computing such interest.

‘ In the ascertainment of the amount of the principal of the said Common School Fund, the Arbitrators are to take into consideration, not only the sum now held by the Government of the Dominion of Canada, but also the amount for which Ontario is liable, and also the value of the School lands which have not yet been sold.’

And whereas it was also provided by the said agreement that all the accounts therein referred to should be brought down and extended to the thirty-first day of December, eighteen hundred and ninety-two inclusive.

And whereas it is alleged and appears that at that date there remained to be collected by the province of Ontario a large sum consisting of uncollected balances of the price of Common School lands theretofore sold.

And whereas it is in substance claimed on behalf of the province of Quebec that the amount of such uncollected balances should be ascertained, and that the province of Ontario should be charged or debited, and the Common School Fund credited therewith, or with such proportion thereof as is right, fair and just.

1-2 EDWARD VII., A. 1902

And whereas on behalf of the province of Ontario, it is objected that we, the said Arbitrators, have no jurisdiction to entertain the claim so made on behalf of the province of Quebec.

And whereas we have heard the parties and what was alleged by them respectively.

Now therefore we, the said John Alexander Boyd and George Wheelock Burbidge (the said Louis Napoleon Casault dissenting) proceeding upon our view of a disputed question of law do award, order and adjudge that we, the said Arbitrators, have no authority or jurisdiction to entertain the said claim.

This award is made without prejudice to the rights and interests of the province of Quebec in such uncollected balances, and to its right to have the same saved and excepted in any final award made in the matters submitted to us.

In witness whereof we, the said John Alexander Boyd, Louis Napoleon Casault and George Wheelock Burbidge, have hereunto set our hands and seals this thirteenth day of September in the year of our Lord, one thousand nine hundred.

SESSIONAL PAPER No. 2

To all to whom these presents shall come

The Honourable Sir John Alexander Boyd, of the city of Toronto, in the province of Ontario, Chancellor of the said province ; the Honourable Sir Louis Napoléon Casault, of the city of Quebec, in the province of Quebec, Chief Justice of the Superior Court of the said province of Quebec ; and the Honourable George Wheelock Burbidge, of the city of Ottawa, in the said province of Ontario, Judge of the Exchequer Court of Canada, SEND GREETING

Whereas it was in and by the Act of Parliament of Canada, 54-55 Victoria, chapter 6, and in and by an Act of the Legislative Assembly of Ontario, 54 Victoria, chapter 2, and in and by an Act of the Legislature of Quebec, 54 Victoria, chapter 4, among other things, provided that for the final and conclusive determination of certain questions and accounts which had arisen, or which might arise, in the settlement of accounts between the Dominion of Canada and the provinces of Ontario and Quebec, both jointly and severally, and between the two provinces, concerning which no agreement had theretofore been arrived at, the Governor General in Council might unite with the governments of the provinces of Ontario and Quebec in the appointment of three arbitrators, being judges, to whom should be referred such questions as the Governor General and Lieutenant Governors of the provinces should agree to submit.

And whereas we, the undersigned, John Alexander Boyd, Louis Napoléon Casault and George Wheelock Burbidge, have been duly appointed under the said acts, and have taken upon ourselves the burdens thereof.

And whereas it was provided in and by the said acts that such arbitrators or any two of them, should have power to make one or more awards, and to do so from time to time.

And Whereas by an agreement made on the tenth of April, 1893, on behalf of the Government of Canada of the first part, the Government of Ontario of the second part, and the Government of Quebec of the third part, it was, among other things, in substance agreed by and between the said several governments, parties thereto, that the following questions, among others, mentioned in the order of the Governor General in Council of the twelfth day of December, eighteen hundred and ninety, be, and they were thereby referred to the said arbitrators for their determination and award, in accordance with the said statutes, namely :—

All matters of account between the Dominion of Canada and the province of Quebec, and that such accounts should be brought down and extended to the thirty-first day of December, one thousand eight hundred and ninety-two inclusive.

And whereas certain matters of account between the Dominion of Canada and the province of Quebec, have been laid before us and we have heard the parties and what was alleged by them respectively, and we have made certain awards respecting the same.

And whereas a statement of account, known as the province of Quebec account, a copy of which, verified by the signatures of the undersigned, is hereto attached, has been prepared and laid before us, wherein, among other things, effect has been given to the said awards.

And whereas by the said statement of account it appears that in respect of the matters therein dealt with, the province of Quebec, on the thirty-first day of December, one thousand eight hundred and ninety-two, was indebted to the Dominion of Canada in the sum (\$1,096,325.11) one million, ninety-six thousand, three hundred and twenty-five dollars and eleven cents.

And whereas it is admitted on behalf of the Dominion of Canada and of the province of Quebec that the said statement is true and correct.

Now therefore we the said John Alexander Boyd, Louis Napoleon Casault and George Wheelock Burbidge, do award, order and adjudge in the premises that on the thirty-first day of December, one thousand eight hundred and ninety-two, the province of Quebec was indebted to the Dominion of Canada in the sum of (\$1,096,325.11) one million, ninety-six thousand, three hundred and twenty-five dollars and eleven cents, as per the annexed statement of account.

Provided however, that as the said agreement of submission requires the arbitrators to bring down and extend all accounts between the parties to the said thirty-first day of December, one thousand eight hundred and ninety-two, and as certain matters, and among others, that respecting the common school fund, have not been finally concluded and determined, and as the principal or capital of certain funds held by the Dominion of Canada for the province of Quebec have not been entered in the said statement to the credit of the province, this award is, and shall be taken to be, made with respect only to the matters dealt with in the said statement, and without prejudice to our authority in the final statement of the account as of the date mentioned and in our award therein to add to or take from, the said amount by reason of anything not concluded by the said statement of account hereto attached and this our award in respect thereof.

In witness whereof we, the said John Alexander Boyd, Louis Napoleon Casault and George Wheelock Burbidge have hereunto set our hands and seals this ninth day of May, in the year of our Lord one thousand nine hundred and one.
